

CRYPTOLOGY2026

CALL FOR PAPERS

Submission Deadline : 10th May 2026

1st - 4th SEPTEMBER 2026

PACIFIC SUTERA HOTEL

KOTA KINABALU SABAH, MALAYSIA

Event Overview

The 10th International Cryptology and Information Security Conference 2026 (CRYPTOLOGY2026) marks a significant milestone in advancing the research and application of cryptology in Malaysia. Through collaborative research and discussions with international counterparts, this conference serves as an open forum for contributions covering various aspects of cryptology, information security, and related technologies.

CRYPTOLOGY2026

NEW IMPORTANT DATES

Full Paper Submission: 15 April 2026

10 May 2026

Notification of Paper Acceptance:

1 June 2026

Camera Ready: 15 July 2026

Conference: 1 - 4 September 2026

Original research articles on any topic related to cryptology and information security are welcomed, including but **not limited to**:

1. Core cryptography concepts
 - Design and analysis of cryptographic primitives and protocols
 - Implementation aspects in software and hardware
 - Post-quantum cryptography
2. Applications of cryptography
 - Blockchain
 - Electronic commerce
3. Network and system security
 - Mobile and wireless security
 - Network and distributed systems security
 - Malware threat and detection
4. Security practices and management
 - Information security management
 - Identity management
 - Audit and risk analysis

All accepted papers will be published in the conference proceedings which has been indexed by **SCOPUS**.
